## Assistant Principal Welcome Letter

August 1, 2024

Dear Walter P. Carter Elementary Middle Parents, Families, and Community :

My name is Brendan Walmer and I am the new assistant principal of the Primary grades for Walter P. Carter Elementary Middle School for the 2024-2025 School Year. This will be my 7th year at Walter P. Carter and my 10th year in education. Previously, I have served as a Middle School Special Education teacher and Mathematics Instructional Coach. I am extremely excited to continue my work at WPC in this new role and look forward to all the fun and exciting things we will do this school year. When I am not working, I enjoy spending time with my family, engaging in outdoor activities such as hiking and skiing, and relaxing while watching a good movie.

I am excited to return to learning this fall, and I look forward to all of the fun activities we have prepared for in the classrooms and around the building for the upcoming school year. As the first day of school approaches on August 26th we will welcome in new and existing staff, students, and families to a fresh start and opportunities to gain experience as a community. Walter P. Carter Wildcats are always looking to create **Leaders, Innovators, and Collaborators prepared to explore the world**, and I am ready to help in that process.

I strongly believe in the school, family, and community connection. It takes teamwork to help our scholars achieve their goals, so I want to ensure we have strong relationships to help each other as we encourage our students in their growth. So, it is my goal to be as accessible as possible to the students, teachers, families, and community of Walter P. Carter. If there is any way I can help support you or your scholars, please feel free to contact me.

I am looking forward to an outstanding school year!

Sincerely,

Brendan Walmer  
Assistant Principal
